Verse 2 O, hark! O, hear! how thin and clear,
And thinner, clearer, farther, going!
O, sweet and far from cliff and scar
The horns of Elfland are blowing!
Blow, bugle, blow, now let us hear
The purple glens sweet sound replying:
Blow, bugle, blow, (etc. as in Vs. 1)

Verse 3 O, love they die in yon rich sky
They faint on hill or field or river:
Our echoes roll from soul to soul
And grow for ever and ever.
Blow, bugle, blow (etc. as in Vs 1)
